On-demand and more upcoming webinars

August 9, 09:00 CST

Creating polyamide-free thermoformed solutions and new HDPE resin designed for oriented PE films (MDO/BOPE)

This webinar, presented in Spanish, will discuss novel solutions for primary packaging. [Fill the form to view on-demand recording](#)

August 23, 14:20 IST

Innovative solutions for carbon black masterbatch & HFFR compounds

This webinar introduced innovative solutions for carbon black masterbatch and HFFR compounds using ExxonMobil performance polymers as well as market trends that are driving growth in these segments. [Fill the form to view on-demand recording](#)

September 14

Creating a no-compromise mono-material PE pouch that can be de-laminated & de-inked

Join this webinar and discover how Henkel, W&H, Kraus Folie, Siegwerk and ExxonMobil collaborated to create an innovative packaging which has outstanding mechanical properties, high oxygen barrier and can be de-laminated and subsequently de-inked. [Register now](#)

Industry events

Join ExxonMobil at [FlexPackCon® 2023, October 10-12, 2023, in Montreal, QC, Canada.](#)

Join ExxonMobil at [Plastex in Cairo, Egypt from January 9-12, 2024.](#)

Join ExxonMobil at [NPE in Orlando, Florida, USA from May 6-10, 2024.](#)
